## Nursing Care

At Hythe View, we have earned an outstanding reputation for our exceptional nursing care facilities.

Our dedicated team of highly qualified care professionals are available 24/7 to deliver personalised nursing and personal care, tailored to the unique needs of each resident. Here, we ensure every individual receives the utmost attention and support they deserve.

## Residential Care

Hythe View pride ourselves on providing exceptional residential care in beautifully furnished rooms, luxuriously decorated, comfortable communal indoor living, and picturesque outdoor spaces with spectacular views of the sea, and exquisite Kent countryside. We understand that each resident's needs are unique and take time to create bespoke care plans to offer the right level of exceptional support for each of our residents.

We warmly welcome family and friends, encouraging visits to share a meal or simply spend quality time together. Our goal is to create a nurturing environment where everyone feels at home.

“We came to visit my aunt and were really impressed, the staff are always friendly and the place was clean. The activities they have in the home are amazing and my auntie is always joining in and really enjoys them. My auntie is happy with the food and is always praising it.”

## Our Ethos

At Hythe View commitment to delivering exceptional care for our residents is unrivalled. Our ethos centres around fostering a serene, refined, and nurturing environment that encourages our residents to lead as fulfilling, engaging, and independent lives as possible. From the moment you step through our doors, you'll be greeted by first class hospitality and welcomed into beautifully decorated accommodations. Our delicious meals and warm, inviting atmosphere are designed to make every resident feel at home. Our aim is to create an inviting and comfortable sanctuary that feels like a cherished home away from home.

## Infection Control

Hythe View recognises its responsibilities and clearly communicates the safe working practices required for infection prevention and control to all staff.

Hythe View is committed to minimising the risk of infection in our home by ensuring good standards of basic hygiene and applying universal infection control procedures.

Hythe View achieves this through a robust risk assessment process, implementation of effective controls and the provision of PPE, appropriate training and equipment to all staff and visitors.

## Activities

We encourage residents at the home to fulfil their potential and lead active lives.

We have a dedicated Activities Coordinator who ensures that each resident can participate in activities tailored to them or as part of a group, daily.

Aside from the daily programme, we have weekly events from external groups, e.g. singers.

The ethos of the home is that every moment has the potential for a resident to be stimulated and engaged in fulfilling their social needs.

“ It is an excellent nursing home  
and the care is first class. I would not hesitate  
in recommending it to anyone. ”

## Location

We are located within a short drive of the M20 (Junction 11) with easy access to the centre of Hythe and bus routes with links to Folkestone, Canterbury and Romney Marsh. The nearest mainline stations are at Sandling and Folkestone with Ashford International station and Eurotunnel ten minutes away.
